St Anne's – Litter pick – Firstly a big THANK YOU to all those who have helped in the last number of weeks.
The condition of the site has greatly improved thanks to your efforts. We would like to try to make this a weekly event, which hopefully, will make it much quicker.
So this week a request for volunteers, not just those who have helped before, could you spare 20 minutes to join us this Sunday after mass to help with litter picking around the church car parks and grounds.
Pickers, bags & gloves will be provided.

ANNUAL PARISH CENSUS 2026

A count of attendance will take place at all masses across the Diocese at the start of May.

St Anne's Census will take place next weekend the 2nd and 3rd May.

The annual parish census captures valuable information about the numbers, ages, and gender of people attending Mass.

This information helps the Diocese and parishes to identify pastoral priorities, make plans to address them, and provide support to our faith communities.

When you arrive at Mass, you will be given a small counter for yourself and for each person in your family group and will be asked to place the counters in baskets labelled according to age. There will be red counters for females and blue counters for males. The baskets will be labelled with age bands and the number of counters for each age band will be recorded after each Mass.

We look forward to seeing you at Mass this weekend and thank you for your patience and co-operation.
