Resurrection

On wings of living light
At earliest dawn of day
Came down the angel bright
And rolled the stone away

Your voices raise
With one accord
To bless and praise
Your risen Lord

Ye children of the light
Arise with Him, arise
See how the Daystar bright
Is burning in the skies

Leave in the grave beneath
The old things passed away
Buried with Him in death
O live with Him today

We sing thee Lord Divine
With all our hearts and powers
For we are ever thine
And thou art ever ours.

Thank you. Keep it up!

During Lent it was most encouraging to see how many parishioners attended weekday Mass,

If you are free to do so, please come along to weekday Mass because by doing so you cannot imagine the number of graces and blessing that you bring upon yourself, your loved ones, the sick and all who stand in need of God's help, protection, comfort and healing.

Save us, Saviour of the world, for by your Cross and Resurrection you have set us free.
