Christ, our Way to new life

"I have come that they may have life and have it to the full." You couldn't get a clearer statement of intent and desire than that from anyone. The practice of our faith is about making that desire of Jesus a reality for one another. That's why he gave us his commandment to love one another. The fulfillment of that longing should be our aim in all that we do. It is the major task for every married couple, to help this other person to come to the greatest fulfillment of her/his potential. And if parents want to know what their parenting is about, they have a true statement of it in this word of Christ. Parenting is not about what parents give to their children but what they help their children to become as individuals. It is also a word for every faith community this week. We can only accomplish the desire of Jesus when everyone is taking a full part. We dare not settle for anything less than the best.

Father Johnny Doherty, C.Ss.R.

Prayer for Vocations Sunday

God our Loving Father,
you called each of us by name through the Sacrament of Baptism to holiness. Through the gift of the Holy Spirit, you made us the temples of the Holy Spirit. Help us to listen to the cry of our Lord Jesus from the Holy Cross 'I thirst' and respond to the call 'Go out to the whole world and proclaim the good news to all the nations'. Guide us in every step we take in life and lead us in every decision we make in responding to your call. Make us and mould us into the living images of Christ your Son, who was always close to those in need. We make this prayer through Christ our Lord, Amen.

An Exam Time Prayer Book has been placed at the front of the Church. Students, their parents, grandparents family & friends are invited to enter their names in this book. They will be remembered in our prayers at all Masses during the rest of May and June. Please remember all students in your prayers at this time.

The Holy Water tap can be found just outside, on the wall of the old top Sacristy.
